# SEPTEMBER—DECEMBER 2010

## PILATES

### INTRODUCTION TO PILATES EQUIPMENT/PILATES FOR TEENS

New to Pilates or the Apparatus? Start with our Intro to Pilates—Group or Private and experience how Pilates can change the way your body looks, functions, and feels. Instructors are certified and experienced. This is where quality counts! Maximum of 4 clients/class.

### PILATES MATWORK + PROPS

Gain strength and endurance. Combine Matwork exercises with the dynamic Gymstick, Bosu, flex band and stability ball to improve posture, core and back strength along with total body conditioning. Maximum of 8 clients/class.

### PILATES 60+

Pilates is a perfect form of exercise for older adults. It is smooth and easy on the joints, focuses on breathing and quality-controlled movements. Strengthen postural muscles for back health. Improve core strength, leg strength, balance and agility. Increase your confidence with a strong, able body. Great for your golf game! Maximum of 4 clients/class.

### HEALTHY BACK—NEW!

For clients who suffer from chronic back pain and who have been told they need to strengthen their “core”. Receive an assessment and movement recommendations from either our Physiotherapist or yours and then work with our Healthy Back Instructor 1-3x per week. The Physiotherapist and Healthy Back Instructor will work together to ensure your exercise program matches your personal needs. If you are under the care of a physiotherapist already, we can work with him/her to ensure streamlined care. Private Instruction only.

### PILATES 1

For individuals who have completed the Introduction to Pilates (group or private) and are ready to move into the next level. Maximum of 4 clients/class.

### PILATES 2

A strong class that combines all aspects of a Pilates Practice. Enjoy variety and challenge in this progressive class. \*Clients will be guided into classes with similar levels of experience and needs. Maximum of 4 clients/class.

### PILATES 3

Be ready to learn intermediate and advanced Pilates exercises at a faster pace. Enjoy variety and challenge in this progressive class. \*Clients will be guided into classes with similar levels of experience and needs. Maximum of 4 clients/class.

### POWER PILATES—NEW

A more athletic based class taking your basic Pilates exercises and making them stronger. No fancy stuff here. Just clean and simple exercises done with strength and power. Caution: you may work up a bit of a sweat in this class. Maximum of 4 clients/class.

---

## MIND-BODY FITNESS

### STRETCH WORKOUT—NEW!

Flexibility is related to how our body moves, how strong we can become and our metabolism. If muscle stiffness, limited range of motion affect your day, sleep, sport or energy, then this is a must attend class. This is a stretch **workout**. Leave feeling stretched, released from muscle tension and solid on your feet.

---

## SPORTS CONDITIONING AND POST-INJURY REHABILITATION

### *Equestrian, Golf, Racquet Sports, Running, Cycling, Swimming, Soccer, Triathletes, Rugby....*

All of our programs provide superior conditioning for any sport as we address the proper function of the body. By balancing your posture and increasing your strength, flexibility and range of motion, you will improve performance, decrease pain and enjoy your game or sport for years to come. Call today for more information or to book a complimentary consultation.
